

COUNT ON MITIE

PHASE OVERVIEW

Our 'Count Me In' campaign is all about making our colleagues feel included and welcome to be themselves at work. The third phase of the programme is 'Count on Mitie' and includes these thought-provoking and enlightening activities.

1. COUNT ME IN CHECK IN

An interactive team activity for team-leaders to run with their teams to check in on the D&I knowledge.

2. "SPEAK UP!"

Online learning presenting three real situations where a colleague was not included and an opportunity to 'speak up' is presented. Also help and advice on how to best 'speak up' and to whom.

3. INCLUSIVE LEADERSHIP

We have redesigned and Incorporated new inclusive leadership content into our License to Lead management development programme. To help embed and sustain this initiative we are introducing the behavioural changes required for our leaders to lead inclusively on a day-to-day basis.
